Dear **[Fill in Name Here]**,

With the 2024 election season upon us, I'd like to explain why you and all your friends should and must vote to elect Republicans. So here goes.

YOU value your freedom and hate being controlled and told what to do. A Republican Congress and President will leave you alone. Joe Biden will seek to control you, what you can do, and even what you can say.

YOU are sick of being locked up and told you can't go to concerts, dances, night-clubs, the beach, parties, and work or school. The President wants to open back up. Joe Biden wants to keep everything closed until there is a full-proof vaccine... and there may NEVER be such a vaccine.

YOU pride yourself on being able to get around the system and avoid paying for services like TV through your skills with the internet and social media. A Republican Congress and President wants to leave you and the cyber world alone. Joe Biden wants it controlled by the federal government.

I could go on and on. But here is what I need you to think about before you cast your ballot.

Before COVID-19 (which was a worldwide virus) you were loving life, socializing, and moving about freely with NO masks. The country was booming for all income levels and races. The income inequality gap was closing. And even with COVID, we are rapidly coming back.

Bottom line? We elect Republicans to Congress and a Republican to take back the White House and the country will rebound quickly and get us back to the normal. If we reelect Joe Biden, the lockdowns, the rules, the masks, and the restrictions, could come back without a warning and soon be the permanent "*new normal*" in America. I'm sure this is NOT what young Americans like you really want, is it?!

Please **[Fill in Name]**, your freedom, your income, and your life, depend on getting President Trump re-elected.

VOTE REPUBLICAN ON ELECTION DAY!
