Dear **[Fill in Name Here]**,

With Election Day now just hours away, this is my LAST CHANCE to explain why you and all your friends should and must vote to re-elect President Trump. So here goes.

YOU value your freedom and hate being controlled and told what to do. President Trump will leave you alone. Joe Biden will seek to control you, what you can do, and even what you can say.

YOU are sick of being locked up and told you can't go to concerts, dances, night-clubs, the beach, parties, and work or school. The President wants to open back up. Joe Biden wants to keep everything closed until there is a full-proof vaccine... and there may NEVER be such a vaccine.

YOU pride yourself on being able to get around the system and avoid paying for services like TV through your skills with the internet and social media. President Trump wants to leave you and the cyber world alone. Joe Biden wants it controlled by the federal government.

I could go on and on. But here is what I need you to think about before you cast your ballot.

Before COVID-19 (which is a worldwide virus) you were loving life, socializing, and moving about freely with NO masks. The country was booming for all races. The income inequality gap was closing. And even with COVID, we are rapidly coming back.

Bottom line? We re-elect President Trump and the country will continue to rebound and get back to the normal you and all your friends want. If we elect Joe Biden, the lockdowns, the rules, the masks, and the restrictions, could soon be the permanent "*new normal*" in America. I'm sure this is NOT what young Americans like you really want, is it?!

Please **[Fill in Name]**, your freedom, your income, and your life, depend on getting President Trump re-elected

VOTE TRUMP ON ELECTION DAY!
